Material List

Workshop at EAP: " Beautiful treatment surfaces"

Saturday January 30 /2010

Surface Watercolor paper: Bring **2 sheets of** Aquarius paper from Strathmore or Arches "hot press".

If you prefer to work on canvas bring 2, (not too small)

Color: Acrylic paint in liquid form preferred your favorite colors

Gesso (white) is a must and (black) little bottle, brand: Liquitex or your own choice

Gloss medium or **mat medium**, Golden, Liquitex

Caran d'Ache water-soluble crayons only if you have them

Brush: I recommend to used watercolor synthetic brushes, some flat: 1/2", 1", 1 1/2"

One or two round one.

Extra Material: water containers (2), a spray bottle with Rubbing alcohol in it, a water spray bottle, a little bottle with a metal tip for making alcohol marks (will be provided for sale if you don't find them), paper towel, Kleenex, scissors, your own stamps if you have some, I will bring material to make one there ready to be used, plastic wrap, wax paper scratching tools, etc.

If you have questions just E-mail me anytime

I am looking forwards to work with all of you soon, bring your creative spirit and be ready to play and explore in this experimental workshop.

You may come with your two sheets of paper already sized with gloss medium or mat medium (half water, half medium) this will aloud you to start directly.

See you soon,
